Flock Users;

Hardy Diagnostics has invested in a Flock Camera and has shared access to our users.

I have added the camera to all roles and is now available in your search functions.

New Flock Cameras Shared

Great News! Hardy Diagnostics (CA) has just shared their cameras with Santa Maria CA PD, granting you and your organization the ability to search footage from their Flock Safety cameras.

ADD CAMERAS

In order for users in your organization to access footage from these cameras, you or another administrator must add the network to your roles:

1. Open **Organization Management**
2. Click on the **Roles** tab
3. Click on the **"triple dots"** next to the role(s) you want to provide access to and select **Edit**
4. Click on the **Networks** drop down and select the network(s) you'd like to add to the role
5. Click **Save** and repeat for other roles as desired
